IMPORTANT POLICY

DUE TO ELECTRICAL REGULATIONS, ALL ELECTRICAL HOOKUPS MUST BE PERFORMED BY A QUALIFIED ELECTRICIAN. **The Denver Mart DOES NOT supply extension cords.** All extension cords MUST BE three-prong grounded type.

When ordering 208-volt service, the exhibitor must provide the male and female connectors. The electrical service is provided to a disconnect box and includes ONLY wiring of the female plug with pigtail to the disconnect. Any additional wiring to the equipment or elsewhere will be charged as labor at current rates with a one-hour minimum by our electrical contractor. Payment must be made at the time of service.

Any special requirements, such as electrical service not listed above, etc., must be ordered immediately upon receipt of this form. Please include the specific information as to 1) VOLTAGE, 2) AMPERAGE, and 3) TOTAL NUMBER OF LINES REQUESTED. Also include a copy of the electrical specifications for the machine(s) you wish to be connected. For large booths, please include a sketch illustrating the location desired for each outlet. Although every effort will be made to comply with your exact requirements, the Mart reserves the right to make modifications in the location to be compatible with the overall electrical system.

The Denver Mart reserves the right to limit, reduce and/or discontinue electrical service to any exhibitor or booth(s) to prevent electrical hazard and/or maintain human safety.
